

Our Values

Openness, Wonder, Belonging, and Engagement

Our Mission

Through spiritual connection in community, we

- Listen deeply to others and ourselves,
- Open to wonder and transformation, and
- Serve together with love and humility.

The Ends

In order to live into this mission, we have established these Ends developed by the Board of Trustees by connecting with the congregation in the Our Road Ahead initiative. This survey is one way we on the Board strive to learn whether we as a congregation are making progress on moving towards these Ends.

1. We are an inclusive spiritual community of belonging, welcoming all people to find their spiritual home with us:
 - 1.1. We care for each other in times of joy, sorrow and transition
 - 1.2. We give generously of our time, talent and treasure to make our vision real.
2. We cherish and respect our children and youth, supporting their spiritual journey and preparing them to live a life aligned with our Unitarian Universalist principles.
3. We engage in spiritual growth and development
 - 3.1. We provide inspiration, support and courage to explore our whole selves.
 - 3.2. We recognize our racial bias and confront its impact on our relationships and behaviors.
 - 3.3. We develop our ability to communicate openly and with loving kindness.
 - 3.4. We strengthen our spiritual connections within our own faith community and beyond.
4. We act in partnership with others to end racial, social, environmental and economic injustice within our own community, in greater Rochester and in the world.
